Events

Lou and Eric visit Mary Mount College.

On Thursday 12th May both Eric and Lou did two separate presentations in front of 140 students at Mary Mount Girls College at HOVE. Lou presented his Watercolour Paper Stretcher and this was followed by Eric's Power Point Presentation on the history and development of the electric car. This was followed by Eric displaying his Electric Vehicle (EV) to the students. The students were well informed and entertained about the processes involved when developing an idea from scratch.
